Quick gameplay Traverse the Lands Between and claim its land Experience ever-changing combat and develop your skills and abilities Enjoy the full feel of an RPG while enjoying the fast-paced action of a hack-and-slash game. Constantly update the game Ensure that the game is always in a state of constant progression by conducting daily playtests for various issues. Place development assets to create a deep story Establish the story with rich scenes and vivid characters Rise, Tarnished: The story of Elden How long has it been since a spark of brightness lit a dark and gloomy world? As the sun begins to set on the scorching summer of the 22nd century, the subterranean earth of the Lands Between is descending into a state of unrest. A dark spirit named Dragon Razors is tormenting the land, using the lands' abundant magic energy and even the Elden Ring as his weapons of death. Raising up the hands of a fallen village, the Elden Ring stumbles upon a series of battles that will determine the fate of the entire world and the fate of the people. Rise, Tarnished is a fantasy action RPG that offers a unique blend of the Hack-and-Slash genre with the role-playing genre and a rich and deep story that the player must live out. ■ Overall Gameplay STEP I: Armor the Body (Warfare Style: Realtime System) Shooting the enemy with the bow that you have equipped, use your skills to chain attacks together. Step II: Utilize Your Skills (Realtime System) When you take a thrust from the enemy, draw your blade and slash. Avoid counterattacks and use potions or spells to take advantage of the situation. Step III: Bring Death to the Enemy (Realtime System) The stronger the enemy attack, the greater the damage. Use real-time effects and fight against all odds. ■ Battle Setting The Lands Between is a vast world where ancient ruins are scattered amidst the fields of tall grass, and the dark landscape is covered in forests and mysterious cliffs. Battle scenes appear in random locations on the worlds. These locations can be accessed in any order. ■ Battle System Real-time battle. You can freely strike your enemy while staying on the move, thus giving you a unique sensation.
