## **Registry Cleaner Pro V1.7 Full[A4] Full Version ((LINK))**

Purchased a BISSELL Crosswave Pet Pro All-in-One wet and dry vacuum cleaner and a mop on August 17, 2018. The machine stopped spraying cleaning solution on November 2. While cleaning the machine from dirt, I noticed the presence of a few drops of water that were collected by a vacuum cleaner. There were also several water marks on the body of the car. According to the employees of the service center, when contacting them after the purchase, the car was recognized as fully operational. When contacting the store, I reported the shortcomings. According to the store employees, when selling the car, they also noticed the presence of traces of water, but assured that this was normal. They also offered me to take the car to
